Dear Parent/Guardian:

This letter is to inform you about an exciting new enrichment opportunity in English 8E. Edmodo.com is an online educational website for students to share ideas, questions, opinions and thoughts about given topics. The website operates like a forum where students log on with a user name and password. Discussions will be monitored by the teachers and students will be held responsible for comments made on this site.

In order to participate, students must adhere to the guidelines below. Please complete the Parent/Guardian Acknowledgement Form below indicating you have read the guidelines and understand your child will be participating in this activity.

Edmodo Guidelines

- 1. All comments/questions must be school appropriate and pertain only to the topic.
- 2. Comments/questions must be written in conventional English (no texting/tweeting abbreviations).
- 3. It is understood that if, for any reason, the teacher finds comments/questions offensive the student will be immediately removed from the forum.

Pease feel free to contact us with questions or concerns at 516-364-5621.

Sincerely,

Ms. Costa and Ms. Greene
