

Literature Circles

Today you will be introduced to several books. By the end of the day, you will each choose the book that you wish to read and discuss in the given time period. This will be done on a first-come, first-served basis as there are a limited number of students allowed in each lit circle. Think carefully as you choose your book. Also, consider the other people who will be reading this book along with you as part of your circle. Each circle will have to determine a reading schedule and responsibilities. You will have 7 class days to read with your circle and discuss the book and then 5 class days to put together your multigenre Web. The project is due_____.

Thus, much of your reading will have to be done at home. The Book Project Requirements are as follows:

- One Journal sheet per student for each day of discussion.
